

Trail Riders 2018 Schedule : *updated July 24, 2018*

By Heather Wilson/Paul Gautreau

Any last minute changes to the schedule will appear on the Events Calendar and announced on the Schedule Changes / Updates Forum on the website. Please use the Events Calendar to register for the rides so that the Leader knows that you are coming and can contact you for any *last minute* changes to the meeting place or time.

Ride Types and Descriptions:

Introduction to Trail Riders Rides – Designed to acquaint new members with the Trail Riders, these early season rides are shorter distances and at a relaxed pace.

Level 1 – These are the more leisurely rides, (20-50km) and slower pace (15-18km/hr), with more frequent stops

Level 2 – Faster paced, with fewer breaks, these rides will vary from 40-60km at average speeds of 18-22km/hr

Level 3 – Basically an extended Level 2 ride, greater distance than normal

Discovery Rides – Essentially scouting trips to check out area trails or section that the club has not done before. The nature of these rides is such that we encourage only experienced riders to come out as the condition of the trails and/or the distances to be covered may not be definitive.
