

Trail Riders 2019 Schedule

By Heather Wilson and Trail Riders Leaders

Updates and changes will be posted on the Events Calendar. Please register for the rides so that the Leader knows that you are coming and can contact you for any last minute changes to the meeting place or time. Leaders have the discretion to change ride locations/distances depending on weather/trail conditions as long as riders are given enough notice.

Ride Types and Descriptions:

Introduction to Trail Riders Rides – Designed to acquaint new members with the Trail Riders, these early season rides are shorter distances and at a relaxed pace.

Level 1 – These are the more leisurely rides, (20-50km) and slower pace (15-18km/hr), with more frequent stops

Level 2 – Faster paced, with fewer breaks, these rides will vary from 40-60km at average speeds of 18-22km/hr

Level 3 – Basically an extended Level 2 ride, greater distance than normal

Discovery Rides – Essentially scouting trips to check out area trails or section that the club has not done before. The nature of these rides is such that we encourage only experienced riders to come out as the condition of the trails and/or the distances to be covered may not be definitive. Riders should come fully prepared with tire changing kits, tubes & pumps.

Dates	Time and Location	Distance	Leader	Description
May 3 to Aug 31	Meet for 6:30 pm departure at the parking lot at Neyagawa and River Glen. Check the website to make sure the ride is on!	20-30 km Level 2	Heather Wilson	Route may vary from week to week but generally covers the trail network in North Oakville, East/West of 16 Mile Creek
