

H.O.C. ALL ABOUT DAY TRIPS 2018 - 2019

Introduction

Optimistically, our 2018/2019 season opens on Dec 9 and runs to March 23. To the extent possible there is a balance in the number of trips to the various ski/snowshoe destinations. However, there are many factors to work around including: venue availability; weather and snow conditions; appropriate venues for lessons; holidays; our club's extended trips. For example, at the beginning of the season when we hold most of our lessons and clinics, we choose venues that offer teaching grids. Historically some venues have less snow, so we don't book these until a bit later in the season. Late season trips are scheduled on Saturdays only, as the trails become degraded by Sunday and the snow is often too thin for re-grooming.

Registration and Payment

The Ski/Snowshoe Schedule for the entire season will be posted on our website in early November. It can be found on the 'Schedules' page and individual trips are posted on the Events Calendar. The Events Calendar is where you go to register for trips and lessons.

Day trips for each month will open for registration at the beginning of the previous month and will close at midnight on the Thursday before the trip. For example, you can start registering for December trips at the beginning of November. You can start registering for January trips at the beginning of December, and so on.

If a trip fills during the registration period, you have the option to join the wait list. Your name will be placed in a queue and you will be notified by email if a spot comes open.

Bus fare payments must accompany online registration. There is an early bird fare of \$25 for those registering a week or more in advance of the trip. After that you must pay the regular fare of \$27.50. Once registration and payment are complete you will receive a confirmation by e-mail.

You must pre-register to go on the trip. **There are no stand-bys and bus fares cannot be collected on the bus.** Guests must pre-register, pre-pay and submit the waiver.

Trail fees (different from bus fees), must be paid in cash and are collected on the bus. Trail fees vary depending on the venue and the trail fee amounts can be found on the Ski/Snowshoe Schedule. Please try to have the exact amount of cash for trail fees. Cheques will not be accepted. **Once again, bus fares are paid online when you register and trail fees are collected on the bus. You must pay both.**

Cancellations

If you decide to cancel a day trip you must contact Bonnie, at the club office by phone or e-mail: 905 634-2012 info@haltonoutdoorclub.ca. There is no option for self cancellation on-line. The deadline for cancelling a day trip in order to receive a refund is midnight on the Wednesday prior to the trip. Cancellation deadlines for Ski Better Clinics and Skate Clinics are the same as for day trips. Cancellation for Level 1 Lessons is different and can be found in the document "All About Lessons".

If the Club cancels a trip you will be refunded. Please do not second-guess the weather and cancel because of the weather forecast. Here's why: once numbers drop to a certain point, the trip may have to be cancelled as we can no longer cover the cost of the bus. We have had to cancel far too many trips when conditions turned out to be fine, simply because people backed out early. Our club has a good track record of doing its homework and making the right decisions. Monitor the website (Bonnie's Bulletin), closely for updates on the trip status and do a final check before leaving your house in the morning. We will not call you if a trip is cancelled.

Destination changes:

We recognize that many people choose trips based on the published destination, so we change as seldom as possible. However, our priorities are safety and skiing in optimal conditions. If weather, snow conditions or driving conditions dictate, we may go to a different destination. Again, check the website (Bonnie's Bulletin) or the club's recorded phone message for updates and do a final check before leaving home. Always bring extra cash in case we must re-route to a more expensive destination.

All training sessions are free and take place outside at Olympic Park in West Hamilton. All sessions are listed on the Events Calendar of our website however no registration is required.

Guided skiing: If you are a new member or tentative about skiing alone, you might like to find someone to ski with. Each day trip has a 'bus captain', also called a trip leader. On the bus, trip leaders will ask if anyone would like to ski with a buddy. At this time the trip leader will make an effort to join you up with someone else. Skiing on your own is also an option. If you would like to lead skiers on any of the day trips, please let the trip leader know.
