

2020 / 2021 Ski and Snowshoe Schedule

The following is our tentative ski/snowshoe schedule for the upcoming season. The proposed dates must be confirmed with the resorts and pricing still needs to be established. This version of the schedule is usually quite accurate, so it will give you a good idea of how we hope the season will look. Once we have secured information from all the resorts, a final schedule will be posted by the first week of November.
