Day Trip Registration 2023-2024

- Masks are no longer required on the HOC bus. Wearing a mask is optional and the choice remains at the discretion of the individual, as their own comfort and concern dictates. If provincial regulations change, mask mandates will change accordingly.
- Pre-register and pre-pay on-line, for all day trips.
- Registration opens the first of the month prior to the date of the day trip. For example, you can register in November for all day trips in December. Starting December 1st, you can register for all day trips taking place in January...and so on.
- If a trip is full, please go on the wait list. You will be notified if a spot becomes available.
- The bus fare is paid on-line when you register. When you register a week or more in advance, the Early Bird fare is \$35.00. When you register after this, bus fares are \$37.50. All non-members pay \$37.50.
- Trail fees are also paid on-line when you register. Refer to the Ski/ Snowshoe Schedule for trail fees.
- You can register up to midnight on the Thursday before a Saturday trip. You can register up to midnight on Friday for a Sunday trip. The same principle applies to a midweek trip.
- Registration for Ski Better Clinics (Level 2, Level 3 & Skate) is the same as for day trips. Registration for Level 1 Lessons is different. (see document "All About Ski Lessons" on the "Ski & Snowshoe Day Trip and Lessons" page of the website).
