

Bus Procedures for 2022/2023

- For the safety of all of our members, the Club strongly recommends that all participants wear a face mask while on the bus.
- We recommend that participants use medical grade masks, such as N95 or KN95.
- We advise members to distance responsibly when loading the bus.
- We ask that Bus Captains recommend to members that they keep masks on while unloading, due to the congestion during the unloading process.
- The Club will have masks on hand to offer if participants forget.
- If sick, we ask that members stay home. The Club will refund last minute cancellations on day trips due to illness. Refunds for extended trips are subject to the cancellation policy as stated in the trip information sheet for the trip in question.
- Collection of cash, on the bus, will be kept to a minimum.
